Preliminary figures for the Test and Tune show a \$7225 profit. The preliminary figures for the SuperTour show 178 Entries and profit of around \$5700. We would not have accomplished that without cutting \$15,000 from the budget for the roving EM, one rollback and switching to pizzas for dinner.

We have five entries for the Driver school so far, and four for the Track Trials.

Fred Brinkel (Chief Steward) praised the job done by Ray Dembowski in the tower.

Two rookie flaggers worked the weekend, and Gail from National gave each a flag.

We thanked Jim Simmons of Full Pint Brewing for the beer.

The National Announcing crew complimented PittRace and thought and announced that it would be a great place for the Runoffs.
