MEMBERSHIP: Jeff Hutzelman via e-mail

As of today, we have 603 members. 12 memberships expired in May and 11 in June and have not yet been renewed.

We had 13 new members in March, 23 in April, 24 in May, and 9 in June. We've also had one new member join on Friday.

TRACK TRIALS/HILL CLIMB: Rick Terrill

The Trials event at PittRace June 11-12 drew 22 drivers. There were no problems and it was a good event overall.

SOLO: Joe Montuoro

The June 11/12 "Superdupertour #4" drew 105 drivers Saturday and provided an hour of fun runs. Sunday had 20 "no shows" from the 81 drivers registered. A "new event" was created in 20 minutes! This was a double event weekend for which there was only one National fee, and it ran very smoothly.

The next event is July 31<sup>st</sup> (#6)

This weekend is the Kone Killer Klassic #16 presented by Central PA Region

We had many class winners in the Finger Lakes Region of New York and more at Bristol.

The next Pro Solo is in Toledo in two weeks..

RALLY : Rick Beattie

The June 11<sup>th</sup> event from PittRace drew 4 cars and ran 55 miles or so. Carl Staab was the Rallymaster. The Pittsburgh Vintage Grand Prix rally is this weekend. It ends at Dual Devils Garage in Houston PA. Seventy-nine cars are entered so far.

Rick's article is in this month's issue of SportsCar magazine.

ROAD RACING REPORT: Bob Albert

Nine drivers passed our Driver School.

The Supplemental Regulations for the August event are done. They include an alternate driver's school. Entrants must apply for it. We have a 10% discount on sanction fees for multiple events.

We need lots of new Chiefs of Specialty, especially F&C, Tech, Registration, Sound Control and Pit. We also need a Race Chairman for August.

Fees are going up at PittRace next year.

A discussion of the need for new workers (a club-wide problem) continued for some time with no real conclusions drawn.

As a result of the Supertour survey results, Bob wants to develop a way to explain to the recipients the source/composition of entry fees. He suggested a National Convention session and a SportsCar article. Bob said he would love to do that presentation on a Regional level. We need someone from National to explain how they use their share. Jeff suggested that Bob contact Deanna and discuss this.

OUTREACH: Coyote Black not present.
