Our first sellout! 6/3 was event 4, Day 1 of the Superduper Tour with 120 entries. 6/4 was Day 2 with 108 entries. Unfortunately there was a GT3 Porsche that hit the guardrail.

Gene Vincent took charge of the reports.

We ordered some shirts (\$640) which will be pre-sold on MSR.

Joe Gave Gene \$170 cash from shirt sales and one cash entry.

Our season is now half over, with the next event on 8/13.

Joe and around 25 other STC drivers will be going to the Solo National tour in Charlotte.

7/11 to 7/22 Joe will be on vacation in Alaska - don't call him.

ROAD RACING REPORT: Bob Albert

We held a driver school June 3rd on the South Track. There were 10 students. One car was not properly prepared and was sent home. We graduated 9 drivers.

We had a conversation with the NeDiv Executive Steward, and were told that if we don't find a new Registrar and a new Chief of Tech we will not get another Supertour National.

Road racing and Track Trials have become codependent.

TRACK TRIALS/HILL CLIMB: Rick Terrill

We had 32 entries for the Trials event last Sunday, up 50% from 2022. There were no casualties except a Corvette which lost a power steering line. Thanks go to Gene, Dan, Jeff, Larry, Brenda Nick, Glen, Chris Carlisle, AJ' and Brian Salo for their help.

Registration is open for July 2<sup>nd</sup>, using the full course. There are already 6 entries.
