MEMBERSHIP: Paula Locke

We had 7 new members and 11 expiring memberships in June. We have 663 members.

SOLO: Joe Montuoro

We had nothing last month. Lots of our guys were travelling.  
An accident at the Packwood WA Pro solo killed two people.  
We need to find our new cones that were delivered to PittRace.  
Our next event is August 13, and there are already 44 registered. After that the next event is at the End-of-Summer-Festival at PittRace, then September 19<sup>th</sup> and September 30<sup>th</sup>, and we will be done for the year.  
Solo Nationals are sold out already at 1300 entries!

ROAD RACING REPORT: Bob Albert

So far we have 57 entries for the End-of-Summer Festival Regional, 23 for Friday. It is a MARRS event, and we expect 8 Continentals. We are short in SSM, SRF and B Spec. The supps are on MotorsportsReg. Someone asked who was in charge of F&C? Dan McNally, but he wants out. Ashley is interested. Bob will get it sorted out.

TRACK TRIALS/HILL CLIMB: Rick Terrill

We had an event July 2 that we shared with AutoInterest. We had 32 drivers participate.  
July 8-9 there was an event at Nelson Ledges.  
The National Track Trials at PittRace will be on Saturday and Sunday. So far there are 25 entries, and two groups, DS and AM.  
The Shenandoah Track Sprints is the week after our E-O-S event, and 7 registered the day after registration opened.

RALLY : Don Baker

The BRNSCC Covered Bridge was last weekend, but Don did not go. We still have no info on the results of our National Rally.  
Albee Crookston (Vickie's dad) recently passed away at age 86. He raced a DSR.

OUTREACH: Coyote did not attend

OLD BUSINESS:

Chris said that Coxcomb is hoping to open in August or September, but they are doing all the work themselves. It may be possible to meet there in November. The next meeting is September 6<sup>th</sup> at the Red Robin Monroeville Mall. Some will meet at "Full Throttle" at 5:30.  
Gene asked about going to ZOOM for meetings again because of the low attendance tonight. He was reminded that this is vacation season and it will pick up after schools open.

NEW BUSINESS:

Joe asked Gene for information on the last banquet in order to help him set up the next one. He kind of volunteered...

Paula thanked everyone who worked the PVGP and thought it was a really good event.

***A motion to adjourn (Gene/Paula) was approved 10-0-0 at 8:19PM.***

Respectfully submitted by
