**TEST AND TUNE SCHEDULE AND GENERAL NOTES**

**Groups:**

1 – Small Bore Closed Wheel	4 – Spec Racer
2 – Large Bore Closed Wheel	5 – PDE
3 – Formula and Prototypes	

**Schedule:** Morning Sessions will be 20 minutes from Roll-out to Roll in. Afternoon Session will be 25 Minutes for groups 1 thru 4. Group 5 will have approximately 20 Minute Sessions; Schedule is as Time Certain as practicable. Sessions may be shortened due to incidents and clean-up.

**Load In –** PittRace has implemented a hard load-in time for 2025. Per their instructions, there will be no entry to the track until 6:00PM on Thursday May 1st. Please plan your arrival time accordingly.

**Registration:** 7:00 AM to 12:00 PM.

**Technical Inspection:** There will be no formal technical inspection for the Test and Tune. However, there is a required Self-Tech inspection for this event. Please bring the completed attached Self Tech Form to Registration to receive a Tech Sticker. No car will be allowed on track without a sticker. All GCR mandatory driver and car safety equipment is required and will be subject to spot checking on the grid prior to being released onto the track. Also, if your helmet does not have a 2025 SCCA sticker, bring your helmet with you for inspection to receive a sticker. **THE SELF TECH FOR THIS EVENT DOES NOT IMPACT THE TECHNICAL INSPECTION REQUIREMENTS FOR PARTICIPATING IN THE NE DIVISION MAJORS.** Please see the GCR and Supplemental Regulations for that event.

**On Track:** The PDE group 5 is limited to street cars. NO tuning of Race Prepped cars will be permitted in this group. Group 5 is limited to passing on straights with point-by. NO exceptions.

**Driver's Meetings:** Attendance at the appropriate driver's meeting is MANDATORY.
