### **RALLY :** Don Baker

Rick was diagnosed with Alzheimer's two years ago now, and can't do any more with us.

Nothing else new to report.

### **HISTORIAN:** Don Baker

Gene Kern and Jack Wilson were recognized for 40 years as a members.

### **MEMBERSHIP:** Bob Albert from Paula Locke

We had 28 non-renewals in May, 10 weekend members, and 10 new members, giving us 839 members in the Traditional Galley report We should really take total members from the Member Report.

### **ROAD RACING & TRACK TRIALS:** Dan Dennehy

The video highlight reel we produced for promotion is done.

The August Track Trials event will use the full course only. National will not support anything else because not all track are configurable. We will probably see fewer entries because of that. We need everyone to promote local entries. Our plans include food and beverages at reduced cost.

Friday of the August Festival is listed on MSR as a PittRace test day - we need to talk to them because we are advertising a three-day event.

### **OLD BUSINESS:**

Cell phone - no progress, defer to next month.

We still need a treasurer who must be a board member. Someone suggested Mario Scaramouche. He responded as interested and will be coming to the meetings.

We held an Executive Board meeting last month after the meeting adjourned.

Lorraine Aronson' son's collection of automotive stuff is gone.

### **NEW BUSINESS:**

Ashley Thomas has been temporarily suspended as Flag Chief and Activities Coordinator.

Chris Granche questioned the makeup of the Executive Board and whether they included elected and/or appointed members. She is unhappy with having been excluded. Bob explained it all. Chris will be retiring as Assistant Treasurer at the end of the current term.

Nick says the merchandise will be here withing two weeks, and 90% of it is pre-sold on the Solo Facebook pages.

Bob received a nice letter on the Formula Car event, a copy of which went to the National Board.

***A motion (Montuoro/Paula) to adjourn passed 11-0-0 at 7:39 PM.***

Respectfully submitted by

Walt Matenkosky, Secretary, Steel Cities Region, SCCA
