A motion (Rick Terril/ Mario Scaramouche) to approve December 2025 minutes with corrections.  
“Track trials” should be “Time trials” and “Subs” should be “Supps”.  
Passed approval vote as there were no dissenters.

Gene delivered the monthly report. A copy of the Treasurer’s report will be attached to the archive copy of these minutes. No copies were distributed as this was a ZOOM meeting.

Budget costs to be added are banquet and solo trophies.

Gene asked Mario if using his home address as location for Steel Cities region was OK. Mario agreed to using his home address. (Gene Kern used his home address for years as primary location).
